About Orgaearth

Commercial & industrial laundry chemical supplier, headquartered in Gurgaon, India

Orgaearth Cleansol Pvt. Limited supplies professional laundry, dry cleaning, wet cleaning, and spotting chemicals across India for hotels, hospitals, laundromats, and commercial laundries that demand reliable cleaning performance and long-term efficiency. Our formulations are built for effective stain and soil removal, extended linen life, and compatibility with automated dosing systems.

Whether optimizing an existing wash program or setting up new laundry operations, Orgaearth helps you choose the right chemical program for your exact requirements.

OUR CHEMICAL CATEGORIES

- Commercial Laundry Chemicals
- Wet Cleaning Chemicals
- Dry Cleaning Chemicals
- Spotting Chemicals & Stain Removers

WHY BUSINESSES PARTNER WITH US

PAN-INDIA

Supply across hotels, hospitals & laundries

MULTI-CATEGORY RANGE

Laundry to dry cleaning chemistry

END-TO-END SUPPORT

Consultation to after-sales care

ORGAEARTH
LAUNDRY SOLUTIONS

Our Laundry Chemical Range

Professional-grade formulations across every stage of textile care

Commercial Laundry Chemicals

Detergents, bleaching agents, softeners and boosters formulated for superior cleaning performance, fabric care, and hygienic textile processing at scale.

Wet Cleaning Chemicals

Gentle yet effective formulations for delicate garments, engineered to preserve fabric texture, colour, and shape.

Dry Cleaning Chemicals

Specialized solvents and finishing agents that lift tough stains and protect delicate fabrics without water-based washing.

Spotting Chemicals & Stain Removers

Targeted, stain-specific solutions that pre-treat grease, oil, ink, food, and cosmetic marks for a superior finish.
